

Greetings:

This school year promises to be a good one. Eastport is rated as:

EXCELLENT

We are going to strive to at least maintain that rating and/or improve. We are proud that we obtained that rating and we thank you, our parents, grandparents, babysitters, other family members, and community for helping us obtain that high rating.

We have left the outer reaches of our universe as our school theme is taking us "Out West". If you did not have the opportunity to see the school at Open House, you will have other opportunities throughout the year and we hope you take advantage of them to come in and see us.

With the help of our AWESOME PTO, we will continue to provide some wonderful in-school programs that enhance the learning of the students. We will also continue Academic Night and of course we will have our annual Talent Show.

The entire staff has worked hard to plan a year of learning and fun for ALL of the students here at Eastport. To those of you returning, we say thank you for your support and welcome back! To those of you who are new, we welcome you and we hope you enjoy your participation as a part of the Eastport family.

Ms. Johnson, Principal
