Claymont Beginning Band

Open to all Fifth and Sixth Graders

**Claymont
Intermediate
School**

PHONE:
740-922-5241

The First Meetings

The week after Labor Day, we will be visiting all students' music classes to demonstrate the different instruments used in our beginning band program. On September 10th, we will have a brief meeting at the Intermediate School to sign-up students for instrument classes. Classes will begin the following week.

Requirements

Each student who wishes to participate in the band will need an instrument and a method book. Specialists will be on hand at our meeting on Wednesday the 10th to help evaluate and repair used instruments, as well as explain how to rent or purchase an instrument or any other needed materials.

All classes will be during school, with no after school practice. Students will have two lessons or classes each week. The students' first performance will be at our building's Christmas Program on December 15th.

Contact

Please feel free to contact me with any questions. I am in three buildings everyday, so I can best be reached by email. Our voice mail is not working, so if you wish to call, you could leave a message with Mrs. Ott, our school's secretary and I will get back to you as soon as I can.

I'm really looking forward to getting started.

See you soon,

Mr. Howell
