

## *Message from the Principal*

On behalf of Trenton Avenue Elementary, I would like to welcome you to the 2009-2010 school year. We are looking forward to another successful year here at Trenton Avenue. Our school is dedicated to providing students with the best education possible, and meeting the needs of all the children that walk through our doors.

I am excited for the opportunity to serve as the principal of Trenton Avenue! I am truly impressed by the attitude toward excellence displayed by our students and staff members each day. Our students work hard to meet their personal and academic goals. Our dedicated staff works hard to address individual needs, set high educational expectations, and provide a variety of learning opportunities in a caring and safe environment.

We welcome and strongly encourage parental involvement. Please let us know if you would be interested in volunteering your time in our building. It is extremely important to work collaboratively to ensure a positive educational experience for all of our students. We will be scheduling many wonderful events this year and look forward to your participation.

Trenton Avenue was rated *Excellent with Distinction* for the 2008-2009 school year. This is the highest rating given to schools in the state of Ohio. This is an outstanding accomplishment, and one that is a direct reflection of your continued support and the support of our committed staff who works very hard to ensure that every student at Trenton achieves and succeeds.
