*Mr. David Lautenschleger
Principal*

*Mrs. Ruth Ann Pittis
Secretary*

Emergency Alert System

Claymont uses an emergency alert system that will call all students and staff members to inform them of school delays and closings. It is important that we have a working telephone number to use for this system. If you would like the primary number to be changed or you have changed your phone number since completing the emergency medical form at the beginning of the school year, please call to inform Mrs. Pittis.

Grading Scale

A—100%-92%

B—91%-83%

C—82%-74%

D—73%-65%

F—64%-0%

E—Excellent

S—Satisfactory

MP—Moderate Progress

HD—Having Difficulty

U—Unsatisfactory

PTO Meeting

Our next PTO meeting will be on Tuesday, February 8 at 8:00am and 4:00p.m. in the Library. We hope you will join us for this meeting. Parental involvement is strongly encouraged and very much appreciated.

Bus Reminders

Just a reminder that students are not permitted to ride a different bus from their established routine in the morning or afternoon. This means that a bus student has only one route (bus) that they can be picked up on in the morning and only one route (bus) they will be on in the evening for the entire year. Students may not change that morning or evening bus now that it has been established unless the child moves. For any bus changes, please contact Chuck Long at Central Office.

Dropping Off and Picking Up Students

The drop-off and pick-up location for students is the Trenton Avenue parking lot. Do **not** use the bus canopy entrance before or after school for dropping off or picking up your child. It is also very important that students are not dropped off on Trenton Avenue (the street). **It is extremely dangerous for students to be let out on Trenton Avenue and then walk across the parking lot to enter the building.** As you drop your child off in the morning, 3 cars may drop their child off, and the students can walk to the sidewalk to enter the building. When 3 cars drop their children off, that is 3 cars that can exit, and 3

new cars can drop off. This will make the line of cars lessen.

Students should not be dropped off or arrive at school before 7:25 a.m. as the doors are locked until then. If you are planning on walking your child to the door after dropping them off, do not park/leave your vehicle in the flow of traffic. Park your vehicle in a parking space. This will allow those behind you to continue the traffic flow, helping to eliminate the build-up of cars on Trenton Avenue.

When picking your child up from school it is important that you not block the parking spaces at the Save-A-Lot store next to Trenton Avenue School. This is out of respect for their business. We understand the line can sometimes get rather long, but we appreciate your patience with this situation.

School Fees

Student fees for the 2010-2011 school year are \$25.00. Checks may be made payable to Claymont City Schools. Payment can be made by stopping in the school office during the school day or by sending payment with your child to school. Your child's school fees must be paid in full or a payment plan established in order to receive your child's report card. If you feel your child is eligible for a student waiver, you may request an application from the office.

Updated Website

If you are not a frequent visitor, to the Trenton Avenue website on the Claymont City Schools homepage, I invite you to visit this site more often as it is updated frequently by teachers with pictures, announcements, and other information that is relevant to your child's education. Each grade level has their own "news" section at the front of the webpage which allows them to make announcements regarding what is happening in their grade level daily or weekly.

Important Dates for February

*The Valentines Day parties are February 11th at 1:30

*Presidents Day is February 21st (No School)

*Mid Terms handed out on February 18th

Student Absences

When you child is sick or not at school for any reason, please call Mrs. Pittis to inform the school of the absence, as well as send a note (personal or doctor) informing us of the absence. We have to correctly code the absences and it is much appreciated when we have documentation of the absence.
