

Dear Parents:

On behalf of Trenton Avenue Elementary, I would like to welcome you to the 2009-2010 school year! We are looking forward to another successful year here at Trenton Avenue! The first few days have gone very well. It is wonderful to see the halls and classrooms buzzing with activity.

As the new principal I am excited to begin the year, and to get to know your children. I come to Trenton from Perry Local Schools where I taught grades K-5. My husband and I have two children. Our daughter is 4 and our son is 2. My family shares in my enthusiasm and looks forward to attending school and community activities.

We welcome and strongly encourage parental involvement. Please let us know if you would be interested in volunteering your time in our building. It is extremely important to work collaboratively to ensure a positive educational setting for all of our students. We will be scheduling many wonderful events this year and look forward to your participation.

Trenton Avenue was rated *Excellent with Distinction* for the 2008-2009 school year. This is the highest rating given to schools in the state of Ohio. This is an outstanding accomplishment, and one that is a direct reflection of your continued support and the support of our dedicated staff who works very hard to ensure that every student at Trenton achieves and succeeds.

I wish you all a great start to the new year!

Sincerely,

Courtney A. Davis
Principal
